## **Vacation Bible School—True North**

Faith, Our Savior's, and Trinity Lutheran Churches held VBS on June 3-6, 2025 for kids who are going into Kindergarten-6th Grade in the Fall of 2025. Our theme this year was True North. Thank you to the parents for sending your children, as we all had a wonderful time! More photos on back of calendar.

## **We Welcome You to Join Us for Worship!**

Sunday mornings at 9:30am we join together to worship our Savior and Lord! If you are unable to attend in person, please join us online. During the summer we will livestream the services at least twice a month. Go to our Facebook page: Faith Lutheran Church Valley City and click on the link to watch the service. If we don't have anyone available to run the camera we won't be able to livestream the service. We thank you for your understanding.

During the summer months many of you are out of town on the weekends. Remember you can set up your giving online on our website: [www.faithlutheranvc.org](http://www.faithlutheranvc.org). The QR Code will take you to our website to the online giving. This is a way you will be able to continue to give your offering to support Faith Lutheran and our ministries. Thank you all for supporting Faith Lutheran Church through your time, talents, and giving!

I was relieved to hear that everyone was safe and sound in our area after the tornadoes of Friday, June 12th. Whenever destruction occurs from natural disasters, we ask: *How can God allow this to happen? Where is God amid tragedy?* Over the last few days, we have witnessed our community come together to help clean up in the aftermath of the storm with volunteers and neighbors helping neighbors, both young and old alike. This is where we can see God most clearly, in the compassion and efforts that are made by those who come to our aid. When we focus on what God is doing to bring life back to the places that have devastated our hearts turn from bitterness and blame to gratitude and love. There is an old Jewish proverb that says, *If you cannot be grateful for what you have received, then be thankful for what you have been spared.* I am grateful we have been spared the loss of life and any serious physical injuries. And for the hearts willing to join together helping those who suffered damage to property. This is how we proclaim the gospel of Jesus Christ! Those responding to the storm did not notice the differences in race or religion, in political parties or affiliations. They responded to the devastation of the storm for the love of their neighbors as Jesus taught us. Where is God amid tragedy? God is right here! 1 Peter 4:12 says this: *Dear friends do not be surprised at the painful trial you are suffering, as though something strange were happening to you. But rejoice that you participate in the sufferings of Christ, so that you may be overjoyed when his glory is revealed.*

I pray that we might not ever have to go through another storm like this one, but it is reassuring that when natural disasters do happen, we live in a community that shares in our suffering.

May the peace of God that passes all understanding walk with you this month of July,

Pastor Jamie

## EaND Synod Care of Creation Award

Faith Lutheran Church proudly accepted the Eastern North Dakota Synod Care of Creation award at the June EaND Synod Assembly. This is the second year the traveling award has been given out. We thank Kalyn Botz and Brenda Rohde for attending the Synod Assembly and receiving this award for us. The Care of Creation award is given to a church that is environmentally conscious. When **Bishop Tessa Moon Leiseth** was here for Pastor Jamie's installation she was really impressed with our reusable pottery communion cups which were made by Dennis & Gail Pederson. We also have solar panels to help conserve energy (there is room for more). We minimize our use of plastics/Styrofoam. The use of dishes, cups and silverware that we run through the dishwasher is a great way to do that. We thank everyone here at FLC for their conscious effect to protect the environment that God created.

Fun fact—Dennis & Gail Pederson were asked to make this award. Dennis made the base and Gail sculpted the hands.

## Message from Our Council President

The month of June has me reflecting on how quickly life can change. The storms we have endured have us thinking more about our neighbors, hoping they are safe and able to bounce back after such terrifying events. Please take a moment to think of those who have lost their homes, buildings, grain bins, personal items, and more.

June also brought a very successful rummage sale. Thank you to Nancy and Al Sorensen and all the individuals who gave their time to help with this event. We also want to congratulate Pastor Jamie on thirty-five years in ministry. We are so grateful that you took this leap of faith and are here with us.

**We'd like to welcome back Cyndi Hill and Pastor Jamie after their vacation in June. We're glad you're back and hope you enjoyed your time away. A special thank you to Scott and Erik Johnson and Val Moritz for leading worship and assisting with music during their absence. We truly appreciate the talents you share with us each time you step in to fill those "big shoes."**

Your council has continued to meet monthly, and I would like to share a couple of updates with everyone. First, the council made a motion to move \$10,000 from Ministry Match to apply toward our line of credit. The motion was approved. It was also decided that proceeds from the rummage sale would go toward reducing our line of credit.

As a reminder, at our annual meeting in January, the congregation approved a negative budget. The council is working diligently to reduce our reliance on the line of credit. As of the end of May, our line of credit stands at \$15,200 in the red. If you are looking for a meaningful way to contribute through memorials, please consider giving to the general fund. If anyone has questions or **suggestions, please don't hesitate to reach out to any of the council members.**

I leave you with this quote:

**"When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze."**

— Isaiah 43:2

With gratitude,

Amy Pederson

Your Council President

## Faith Lutheran Church Worship Committee

In our newsletter last month, we introduced the worship committee and indicated we were reaching out to see if there are individuals, not already contributing to the musical aspect of our worship service, who would want to join in! We are still interested in hearing from you with your interests created with that shout-out!

We have also been talking about additions other than musical we could add or revise in worship and would like to hear from you. Maybe you have attended church on vacation, or a community you grew up in when you returned recently, and they were doing something new that you think we could do here. We would like to hear about it.

**After discussing things that we may want to try someday, it seemed the 'someday' opportunity** was before us in June. When our very capable and appreciated organist was going to be gone, including our faithful substitute, we researched on-line recorded church service music available for congregations. We found, reviewed, and selected songs that fit the service for the day. Songs we thought were known to the congregation and some that were new; but we thought had easy words and music with fun beats. Brian Yanish, on the sound board was great help! We prepared, and bravely went forward asking for grace and we all gave it a good try! The congregation sang along with those recorded songs. You did a good job!! Again, those who were in church that day we are open to constructive criticism as we would like to find a way to use music this way or comparable way. To do that we need to learn from that first experience. So, we would like to hear what you thought about singing these songs, - let us know.

With gratitude,

The FLC Worship Committee

## Men's Group News

What a beautiful evening for a gathering. Our Faith Lutheran Men's Group had our June activity Wednesday evening, June 18th. We had a potluck supper at Sayler's Cabin at Sibley. Although our turn out was light, we still had a great time with good food and wonderful fellowship. We express our thanks to Larry H and Larry E. Sayler for inviting us to their cabin and for being such wonderful Hosts.

Our July gathering is scheduled for Wednesday, July 16th at Mark Brandvold's cabin at the crossing. We will once again meet at Faith Lutheran Church at 5:30pm to carpool to Mark's cabin. More details will be sent to Men's Group members in an email a little closer to the event.

In August, we will be attending a RedHawks baseball game in Fargo. More details will be shared later on. If anyone has an interest about going to the game, please contact Duane at 840-8857.

Even in the busy, hectic summertime, we still like to keep doing different events to stay connected as a group. As we are all part of the family—'the **Family of Faith**'.

May GOD continue to bless each and everyone of you.

## WELCA News

Greetings from Faith WELCA,

We will not have a meeting in July so our next meeting will be August 13 at Faith Lutheran. Come join us in the Fellowship Hall at 3:30pm.

The following is from History of the Women CLCA from [www.womenoftheelca.org](http://www.womenoftheelca.org).

Lutheran women in the United States have been gathering in mission since the 1800s, and we owe **much to our foremothers who responded to God's call, created a place and lived out a purpose when** women had no voice in the church.

Three groups came together in 1987 to form Women of the ELCA. These groups were the American Lutheran Church Women (of the American Lutheran Church), the Lutheran Church Women (of the Lutheran Church in America) and Women in Action for Mission (of the Association of Evangelical Lutheran Churches).

The constituting convention was held June 13-14, 1987, in Milwaukee, Wisconsin, with the theme **"Embrace God's World."** **The organization was officially constituted January 1, 1988, with the** Evangelical Lutheran Church in America.

Communication tools would soon follow. The magazine *Lutheran Woman Today* began publishing in January 1988 and *Newsletter* followed in June of that year. **The organization's first website was** inaugurated in 1995. *Café*, our electronic magazine for women launched in 2006, with podcasts soon to follow.

In 2011, *Lutheran Woman Today* changed its name to *Gather*, and continued providing award-winning content (Bible studies and articles) to more than 45,000 readers, with a pass-along rate of 3 additional people per subscriber.

**The organization's first smart phone app, Daily Grace, was unveiled in 2011** (available for IOS and Android), the same year that the magazine took on a new name, *Gather*.

Various program initiatives were launched in 1988, some of which continue today such as our scholarship program. Initiatives came and went, meeting the needs of the women at the time. Raising Up Healthy Women and Girls, the organization's health initiative, began in 2005. Bold Women's Day, an annual celebration of our mission and the women who accomplish it, launched in 2007.

Today the organization is active in approximately 7,000 of the 9,200 ELCA congregations and in 64 of the 65 synods (the only synod without a synodical organization is the Slovak Zion Synod, the **ELCA's only non-geographical synod**).

**Our purpose hasn't wavered since we created our first constitution. "As a community of women** created in the image of God, called to discipleship in Jesus Christ, and empowered by the Holy Spirit, we commit ourselves to grow in faith, affirm our gifts, support one another in our callings, engage in ministry and action, and promote healing and wholeness in the church, the society and **the world."**

(continued on page 7)

(continued from page 6)

Since constituting in 1988, Women of the ELCA has belonged to the women; it is self-incorporated. No money from the ELCA budget is given to Women of the ELCA; all monetary support comes from the women themselves.

Thanks to you, Women of the ELCA continues its ministry today.

I found this article and website full of interesting information and this summer would encourage **you to take a look at this website as listed above. If you haven't checked it out, you will find a lot** of resources from the Gather magazine, to Bible studies, to podcasts!

Pour a lemonade and take a look.

**God's Peace to all,**  
Elise Miller, WELCA President

## Mission Team News

The Mission committee did not meet in June; however, we were still busy with the Summer Grocery Store. Elise Miller and Scott Johnson representing Faith Lutheran on the Bridges Backpack board helped open the Summer Grocery Store on the first Wednesday night in June. Thank you to Val Moritz who volunteered at the store on June 11th and to Deb Shape and Cheryl Foell who volunteered on June 18th. The following nights will be covered by other volunteers from churches and community organizations throughout Valley City.

Please see the newsletter for food items needed for donations, and those received at the church will be brought to the store. Thank you for your donations!! The store also took 9 of our Celebration Cake kits and puts some out each week, so the families that come to the store have an option to take one of those home.

School supplies will be our next mission drive, so watch for school supply sales in stores that will be fast approaching. The list of supplies needed will be provided in Sunday bulletins and newsletters. We have collected supplies that, when provided to the two elementary schools, become a resource for the teachers. Their students may not come with all the supplies needed, run out of supplies needed, or move into school during the school year. Each year we receive than you messages from the schools telling us that this is so helpful for the students and teachers. We will collect them until the first week in August so we can deliver before school starts.

Thank you for participating in al our mission projects! We are truly blessed with our wonderful church family.

Hope you have a fun filled and safe summer!

Faith Mission Team
